

British design

British made

10 year guarantee

Perfect for breakout

Perfect for Cafe

Perfect for informal meetings

The Diabolo table, designed by Mark Gabbertas, in its own right is a refined and elegantly simple design. It is equally at home when arranged with seating from our Drum, Jonty, and MIR ranges. Colours can be mixed and matched as desired, offering the opportunity for bold or subtle combinations as desired.

The Diabolo Table is available in four heights and four top sizes.
