Step 1 - Choose your base.

Step 2 - Select your single door units.

Step 3 - Select your open shelf units.

Step 4 - Select your drawer units.

Step 5 - If your design allows, select a top. For example, if you have chosen an open shelf unit and two drawer units at the same height you can finish the construction with a top across the top of all three units.

Step 6 - Select your seat units. These are available with power.
